Strategic Priorities 2022/2023

Click to view the whole-school plans for each priority.

Strategic Intentions: The long-term intents provide direction as we continually strive for excellence.

- INTENT 1**
We will confirm, make explicit and strengthen the **one-school culture** in which a seamless education is offered from Nursery to the Sixth Form.
- INTENT 2**
We will build a **technology-rich** environment for students, staff and parents as one enabler of learning.
- INTENT 3**
We will develop and implement an **inspirational Future Ready Curriculum** that provides an exceptional education, preparing students to be role models for the world.
- INTENT 4**
We will be a world leader in understanding and **applying the evolving body of evidence about effective learning and teaching.**
- INTENT 5**
We will be a learning organisation in which everybody is **passionate about learning** with an abundance of supporting evidence found in school and community.
- INTENT 6**
We will put in place the buildings, infrastructure and other resources for St Christopher's to be a **world-class school.**
- INTENT 7**
We will have **clear internal and external communications between all stakeholders** and dialogue and feedback will enlighten and inform school development.
- INTENT 8**
We will **establish caring relationships** between all members of the St Christopher's community where all are expected to meet the highest expectations and be held accountable for his or her contributions.
- INTENT 9**
We will **foster the talents and aspirations of students** in the Arts and Sport, enabling them to participate at the elite or professional level in their chosen area of expertise.
- INTENT 10**
We will create the culture and practices that support the **successful implementation of these strategic intents, our mission, vision, values and the curriculum** in its widest context.
